Please find attached my suggestions for possible floor=ans and layout. The bathroom is not in the scope of work  
as we havent dis=ussed yet, however I included a small section of it to represent the part =hat is visible from the  
bedroom upon entry or occupancy.

I am very mindful of views, which is why i indicated the bathroom like th=s, as there should always be something  
beautiful in the part visible from =he bedroom. Upon entry into a room I don't like to see the side of a d=sk or side of a  
wardrobe etc. It should be inviting and feel like an entra=ce. Also mindful of light and windows. I know the room gets  
beautiful morn=ng light from the courtyard side of the room which is why it would be my p=eference to enter on this  
side and keep the windows open, for chairs to re=d and the desk.

The dimensions of the room from [REDACTED] I am not entirely sold on, and the doors have been taken off their hing=s  
in the photos, so I will need her to send me their exact dimensions and =et me know if they are single or double and the  
way they swing. Door swing= will be important for planning.
