Mr. Epstein,

Tony Merrill from XO in the Virgin Islands, whom I believe you are acquainted with is a friend of someone at Alliance Warburg in New York that refers business to me as do many other financial firms. 50 United Nations Plaza is a residential property I am working on in NYC came up in a discussion where I conveyed that I am in search of a particular demographic for the purchase of this property. I asked my friend at Alliance Warburg to FedEx a bound book to Tony that detailed a one-of-a-kind penthouse with the purpose of getting it into your hands for your review. I'm not clear if you ever saw the book. Recently, I visited the construction site and went to the penthouse levels, which can be configured to accommodate 17,000sf up to 24,000sf (and possibly more) of living space plus it comes with its own private pool. The floor plans do not reflect an accurate representation of the space. It is clear, clean space with panoramic views and high ceilings. This penthouse will make 157 West 57th Street look like it was built for pikers.

I am well aware that you own one of the most prestigious townhouses in Manhattan. However, this particular building offers something very unique that no other does. The penthouse is in a powerful position on all sides, particularly the eastern view, which is essentially a framed portrait of the United Nations. For someone who entertains political leaders this space is the height of seclusion. The building's security surpasses that of any home in New York. This fortress was designed to give the ultimate of privacy. No one will be able to get near the owner.</=>

Since no one can give me a straight answer about having you involved in this project I want to cut through the B.S. and ask you a couple of direct questions for which I would appreciate answers:<=>

1. Do you have any interest in taking a closer look at this project

2.   =nbsp; Do you know anyone who may be interested in looking at=this project
3.   =nbsp; Would you like to meet when you are in New York or hav= a phone conversation

Something you should know about me: I never come ask=ng for anything without giving something back. In the event you purc=ase this penthouse or introduce me to anyone who purchases it I will gladl= donate 10% of my brokerage proceeds to your foundation as a way of showing my gratitude. And, if you want t= dispose of your New York City residence, name your price and I'll g=t it for you.

I know you have a lot on you plate, but any thoughts=are greatly appreciated.

Thank you,
