Subject: Question re tix for Cabaret

What if we go thru Peggy's broker again but use the guest name of [REDACTED] = and give [REDACTED]'s CC# to pay for them? The problem the broker gives is they only allow 4 house seat per a customer. You have your 4 limit under Jeffrey Epstein. What if we just use [REDACTED] as a new customer (kind of sneaky? B=t ok?). I have called ticket scalpers and recd a price tag of \$750 each to \$=00 each to "only mezzanine tickets are left". Please advise if you think ok=to give them [REDACTED]'s name as a new guest.
