Deborah hasn't responded yet. One of the i=voices that Deborah sent us was about reversion of copyrights grants. ♦=A0 Noam has assigned me the copyright of one of his books "Who rules =he World" and that is being already the target of a law that allows r=version of copyrights grant.

Also the lawyers keep sayi=g that I am getting Noam's whole estate (meaning one of his two IRAs i= Noam's name and meaning the one that was being used for family member= distributions, Wellfleet rent in the amount of \$50,000, other family expe=ses and our own expenses, therefore being depleted at a high speed). =And I have an additional concern about the veracity of the facts: whatever=is left of it, as I am still not an American citizen, will be subjected to=taxes and since this IRA is being considered as the only estate Noam has, =ouldn't all the expenses and taxes have to be paid from it, possibly b=inging it to zero or worse, to negative, therefore whatever asset we would=have out of this (such as our new house, under a mortgage), could be reque=ted to pay debts?

Just trying to understand the s=tuation as we have been kept in dark by lawyers and accountants. It seems =hey have declared Noam as incompetent and incapable and are making all the=decisions under someone's else guidance.

Yes,=we are still in Cambridge.
