Dear Noam,<=span>

Max and I spoke this morn=ng, regarding your question below and regarding the trust accounts which y=u asked me about last week. Max indicated that the trust accounts are in the process of going through a final review and they shoul= be ready to be sent to me and you shortly. Max, please let us know =bout when you expect to get these out to us.

With respect to your inqu=ry below, Max indicates that he sent to my office all of the contracts tha= were in his possession. We compiled all of those contracts into binders for our files in May, and we would be happy to provide you wi=h a complete set for your records. There are three large three-ring =inders in a set, and I would be happy to arrange for them to be delivered =o you. Please let me know when and where you would like these delivered. We will be creating a separate=binder for all contracts we have copies of that were entered into after th= original set of binders was compiled, and we will provide you with that n=w binder as well, to be updated as new contracts are entered into.

With regard to the Gift Agreement with MIT, I have attached a copy for your records. Your gift to MIT constitutes a gift of physical materials and a license to copy, etc. for the copyright period, but does not constitute a gift of the copyrights themselves. If you have any questions about the agreement, or any other matters relating to your copyrights, please don't hesitate to contact Gene or me.

All my best,

Deborah

Good morning Noam ◆=93

I will need to retrieve several of your files on this subject. (I believe some are in our offsite storage area.) I will reply to you first with whatever I have at hand and then supplement that with any offsite material that appears relevant.

With best wishes,<=>

Max,

We're trying to =ork out arrangements about Intellectual Property and the archives. M=t with the librarians, and they told us you should have the information.=C2♦ So could you please let me know what work has been done in the past on the IP, and what your understanding is with regar= to the contract with MIT and its effect on IP rights?

Thanks,

Noam
