=effrey,

Flights are sold out departing from Fort Lauderdale=to St Thomas for Friday,.  
Currently Dave and I are departin= Miami at 12:50pm to arrive in St Thomas 3:25pm on Friday,.

Bell is closed Sunday and Monday for Holliday, , update=on main wheel delivery later this morning, Wheels were promised Thursday, n= update. Currently wheels are in QC (quality control in Fort Worth) await i=spection. It's also a nightmare with Edwards in Lauderdale.

Good Morning Larry,

Main rotor hub bolts w=re released and should be received in Fort Worth today, we should have them=here tomorrow morning <x-apple-data-detectors://0> ...

=p class="MsoNormal" style="margin: 0in 0in 0.0001pt;">I s=ill have not had any update on the wheels, but, as soon as the management a=rrives I will check on those...

I am sor=y for the delays and thank you for your patience in this matter...
