This is very helpful. Thanks. Is there anyone besides Leon who can provid= genre/movement (like American Modern, French Impressionist, German Expres=ionist, Surrealist, etc.) for each work of art. I want to try to formulat= a policy for the types of art the Trusts focus on, and I think it would b= helpful to have some general descriptors along these lines.

Glad to have a conversation on this if that's easier than responding by ema=l.

I can probably also come up with the descriptors myself, but I figured some=ne may already know this off the top of his/her head.

Barry

Mr Cohen:

Attached is the current art portfolio for the APO 1 and APO 2 entities. Wh=le the vast majority of the items have been checked and verified, we never=heless are continuing to review records from various sources to ensure we=have precise cost, description, etc. for all items, particularly items acq=ired many years ago.   Fair value is based on an appraisal performed by So=heby's in June 2013.

Please let me know if you have any questions.
