I thought so too... at the beginnin= I was doing well... But since I got back from Ukraine at the end of March=I literally got just a couple of bookings... And I don't have castings...that's the problem... and there a=e always some stupid excuses... or Oscar's parties...clien=s are busy...or Coachella - clients are busy... or something e=se... so I decided to leave this agency... And now I'm looking for some good agency with strong commercial bo=rd... Barry told me about NEXT - and I got so excited - I =hought it could be a good chance for me.. but if you are saying "no&q=ot; - there is not much I can do about NEXT then... And there is so many bad things happened to me since I got back from N=w Mexico... I broke up with my boyfriend - one evening I asked him t= break up...but he didn't want... I slapped him on a face while =e were fighting, cause he called me a slut (but I never cheated on him) - = tried to break up with him nicely... but he didn't want us to b=eak up... so next morning he called the police and said that I =ssaulted him!!! Can you imagine???... he said that he loves me to de=th and in 5 minutes cops knocked to our door!!!

So I was dealing with police.. they really quickly found that he is in=ane psycho and they didn't let him sign the report, but they asked him=to leave my apartment - cause this is my apartment and I was paying for it=E2 I almost end up without my car... and furniture... cause h= paid for it...

And until now I'm still dealing with a lot o= threats and bullshit... I paid him 5000 dollars to leave =e alone... but he still didn't... So that's why I really disappointed with my agency... cause I don=#39;t have time to wait for castings... I need to work NOW!!!

<=iv>Cause I have to pay my bills... you know?

And also Stev= had been so weird - right after I got back from New Mexico I texted him l=t's meet up for lunch and he text me this:

"Would love to☺

I miss you=/div>

I'm curious...I'm single and I'm not sure if you hav= a boy friend right now.

If you don't... have you thou=ht about our friendship becoming anything more than that?

I like you very much and feel comfortable asking you xx"

Since then we still didn't see each other =A6 and I don't think I gonna see him anymore.. I can't... se=iously I CAN'T do this!!!

I won't forgive myself... he'll just suck my youth witho=t helping me... I know that... So I'm really kin= of on the edge Jeffrey...

I don't know=what to do :(((
