Subject: Chairman's programme

Dear Jeff,

I concluded my week at Christie's yesterday afternoon. It was absolutely great. So much useful advice and information. Also met some really inspiring people. Just wanted to thank you again for this great opportunity. Such a fun week. This is definitely right for me*.

As for follow up I have already emailed Olivia Wallace who led the programme regarding an internship in the near future. So I will be back there soon!

Best Wishes,

Ed
