Hi [REDACTED].

Thanks for forwarding this information. I can confirm that both of these [REDACTED] are indeed 0 credits so they will not help you with regard to making progress toward your degree. The course I mentioned in my previous message today is a 3-credit option.

Given that you tested into [REDACTED], my feeling is that you could probably handle the 3 credit option I recommended. However, I certainly understand if you would prefer to try the [REDACTED] instead.

In terms of cost, the 3 credit course I referenced would be approximately \$4185. The [REDACTED] are less expensive (\$1190 each) since you would not be earning credits. Those two courses combined would be approximately \$2380.

Best,
