Dear Noam,<=span>

Max and I spoke this morn=ng, regarding your question below and regarding the trust accounts which y=u asked me about last week. Max indicated that the trust accounts are in the process of going through a final review and they shoul= be ready to be sent to me and you shortly. Max, please let us know =bout when you expect to get these out to us.

With respect to your inqu=ry below, Max indicates that he sent to my office all of the contracts tha= were in his possession. We compiled all of those contracts into binders for our files in May, and we would be happy to provide you wi=h a complete set for your records. There are three large three-ring =binders in a set, and I would be happy to arrange for them to be delivered =o you. Please let me know when and where you would like these delivered. We will be creating a separate=binder for all contracts we have copies of that were entered into after th= original set of binders was compiled, and we will provide you with that n=w binder as well, to be updated as new contracts are entered into.

With regard to the Gift A=reement with MIT, I have attached a copy for your records. Your gift=to MIT constitutes a gift of physical materials and a license to copy, etc. for the copyright period, but does not constitute a gift of =he copyrights themselves. If you have any questions about the agreem=nt, or any other matters relating to your copyrights, please don't=hesitate to contact Gene or me.

All my best,

Deborah

Good morning Noam ◆=93

I will need to retrieve s=veral of your files on this subject. (I believe some are in our offsite storage area.) I will reply to you first with whatever I have at hand and then supplement that with any offsite material that appea=s relevant.

With best wishes,<=>

Max<=p>

Max,

We're trying to =ork out arrangements about Intellectual Property and the archives. M=t with the librarians, and they told us you should have the information.=C2◆ So could you please let me know what work has been done in the past on the IP, and what your understanding is with regar= to the contract with MIT and its effect on IP rights?

Thanks,

Noam
