Jeffrey  
I confirm 6:30am SATURDAY now thank you.,

White Plains is only open until midnight for customs arrival, dignitary and G=v officials they make exceptions sometimes.,

-Morristown NJ is a User FEE airport an offers 24hour customs, we pay the ov=rtime,. First time I'm hearing this, could be good option for us?

-New York to Mongolia is 5496nm straight line, 13 hours if routed directly over the North Pole, I would request a formal flight plan with tech stop from=Universal,. I would imagine a 15 hour flight depending on routing and fuel stop,.routing over North Pole may require special navigation and GPS,. I'll have to research further,. Routing thru Anchorage is not direct.,
