Just wanted you to see from Mira Bach, Josacha's wife. They are staying at the apartments for thanksgiving.

Hello [REDACTED]

We are very thankful for your support and we would never have expected to get this chance to live in the US. I still remember how I couldn't believe the full of the wall is real. As a kid I just accepted our small GDR would be the limit of our world forever. Now everything seems open and free but without Jeffrey's supportive net I cannot imagine how we could survive here. Now our kids are in a good and safe school, we are able to live in Cambridge and meet amazing people from all over the world. Our kids grow up being cosmopolitans and hopefully will keep an open and flexible mindset to make this world a better place for more people.

The only thing I really do miss is being able to work and contribute.

I really appreciate Thanksgiving because it's all about giving thanks instead of shopping and everybody stays with family and friends.

I hope you find time to enjoy it!

Best wishes,
Mira
