Jeffrey,

Homeland security officer spent an hour with me. Very nice guy, and helpful.= I have some homework to study regarding procedures on DCA launch., then insp=ctor will quiz me and submit our file to Washington for final approval., we=will be issued a secure web based program that will be used to obtain land=ng permissions etc.,my computer must be password accessible for security., a= my computer is always secure.
Very cool process and accomplishment when we get approved.,
