Update 10/12/2017

Per our =onversation this morning:

- * Office –
 - * Painters – will let them continue till the =ack of the office and then suspend till a later date after we get the =ack of the office addressed
 - * Ras – stopped by this =orning and he is on hold till we call him to do any work, if any
 - * AYH – Beth has indicated the following
 - * Engineers will be on island on the 17th to =ccess the whole property and we will reconvene with her on the 19th to =etermine the assessment for our office so we can have a time frame for =ixing
 - * She will send Joe from All builders to the roof =oday to see if he can determine if there is any way to stop the leaking =n the back and if tarping is an answer to stop immediate issues

* Carpet – Floor Factory has been put on hold on the installation – however – THEY REQUESTED A DEPOSIT CHECK =O HOLD THE CARPET – as they basically need to know if we =on't want it they would like to sell – needs =ction on our part ASAP

* Base board – need to =ddress how to deal with these – See pictures in the drop box =E2? the back of the office ones need replacing and the rest are =lso dirty and marked up

* Ceiling tiles – need to =ddress how to deal with these and who will replace – the back =ffice ones are damaged but the whole office needs to be addressed as =tained ones exist in all offices

* Mold removal – Fraguela =hould be involved with accessing – Rich is in process of =ontacting Fraguela for an up

* Equipment

* Switch -Jermaine to let Rich know today what =odels of the Cisco switch should be ordered 1 for office and 3 =or Island (He needs to check with Hector

* Copier – Jeanne to =ontact Spensely and determine if quoted equipment is available at the =riginal price and to evaluate the service contract terms they are =uoting , will provide and update to Rich as soon as received

Do you think we should call floor =actory and tell them to put on hold. When I spoke with Angela she =as us schedule for Tuesday and if we reschedule it will not be till the =ollowing week at some time as they do have others on the schedule –=we should let them know as soon as possible if we are going to =eschedule
