**Subject:** Gym speakers

Jeffrey,

I have "Big" / "Heavy" tower Kilptch speakers I purchased from Best Buy for G=m., total only \$750. The Martin Logan's we currently have are the largest Best Buy sells, the nex= step larger would be B&W for \$3200.00 for the pair, which appeared to be s=me size as current speakers., I don't thing you'll be disappointed with these large Kilptch towers., If you don't like them I'll return, Best Buy's exchange program is easy.

What time is good for you, to set up Gym speakers?

Thx  
Larry
