Hi Jeffrey,

The roof over the kitchen, my office and Jeanne's office is leaking significantly. There are puddles on the floor from the rain over the weekend. AYH management came to look at it and they don't know when they can get around to fixing it.

It may be prudent to only paint and carpet up to the copy room and leave the back part until the roof is fixed. Jeanne and I will relocate to the front offices. What do you think?

Jimmy Fraguela is outsourcing the individual projects (painting, sheet rocki=g etc..). We can control what happens and the pace if we are just dealing w=th one contractor who is doing the work himself. Please let me know your t=oughts?

With warm regards,

Cecile
