don't really know what to say to your email...

it's like groundhog day for me too, it could be fun and productive , instead of talking to me like a woman with dreams and visions who is capable=and worthy of a beautiful life you make me feel like a reprimanded 12 year o=d.

i am trying my best to get ahead in the most competitive city in the world a=one and make something of it

i forged my own path i know that and i know that comes with responsibility = ok - i get by 70% of the time but here and there when the going gets touch, I=ask for your help and how I can step up the game...
