Jeffrey,

I hate to bother you with personal things but I have a quick question.

My girlfriend/fiancé is arriving today and was going to go on a 4 day l=ve-aboard sailing school and then check into a hotel after that.

The school was canceled because lack of attendance, so my question is, can s=e stay on the island those 4 nights with me, or should I just book her hote= room earlier.

The only reason I ask is that I obviously can't go meet her in the evenings s=nce I'm caretaker on the island while ███ is gone.

She will be on st. Thomas during the day. Not on LSJ.

But, if any concerns I fully understand and it won't be an issue at all.

Thanks
