Jeffrey,

I spoke to ████ and found out why this entire mess even started yesterday.

It was simply a misunderstanding. My morning meeting with landscaping happen=d as I told you. ████ was under the impression it was a meeting with all sta=f. Hence the confusion.

As of tomorrow, ████ and I will meet before the crew boat arrives and compare=notes for the day. Then we will have a joint meeting with all staff every m=rning from now on.

I'm getting the whiteboards moved into the tunnel for now and will use them a= of tomorrow.

That hopefully solves this issue and we can move on to working on getting yo= the service level you want.

Thanks

John
