Richard,

Further to our conversation yesterday, we have cancelled deal# 3=43352 for the 2016 Pullman.

Deal# 3045057 will rema=n active for the 2016 S600 Maybach, Jeff will hold order placement #7.

Furthermore on 06/10/14 we =harged $2,500.00 deposit per purchase agreement. Yesterday (06/11/14) a re=und in the amount of $2,500.00 was processed for cancellation of deal# 304=352.

Just to reiterate, originally=there was a bit of confusion as it was understood two vehicles were being =anufactured, 2015 S600 Maybach, released in 1st quarter of 2015= and 2016 Pullman.
Two purchases agreements #3043352 & #3045057 w=re generated and deposits charged.

Our product specialist department clarified that only one vehic=e will be manufactured. The "Pullman" now referred t= as the MB Maybach, S600X (long wheel base). The long base offering =n additional 8" in length, an exclusive vehicle. Towards the end of November 2014, MB will hold a press release for the 201= S600X Maybach. Shortly after the ordering banks will open up, at wh=ch time orders can be placed to your specifications. Delivery is ant=cipated approximated 4-6 months later (Between March –May of 2015). To sum it up, delivery of 2016 S600X Ma=bach will be received in 2nd quarter of 2015.

If you require further clarification, I a= happy to assist.

We thank you for your busines= and will be in touch as we get closer.
