woody,    she's making sure there is not one molecule of flavor    left. . it going to look light recycled fabric.    on cheating and marriage    you can't    eat the house

you lay o the couch talking    bout seeing your parent s in bed trying to break the habit of sleeping    ith tall blondse makes no    ense

kate upton. a miracle of    ature,  
an uphill battle   ;

black girls are all horrible   ucks

lactade. soon yi has an opinion   bout everything. . mort   ahl.

i don't want to go to moes   ospital and repair shop

taco medical   are

forrest   awn

wives ending up looking like something you   ould see on you plate at a seafood restaurant  
cruel   ters.

if knighthood comes back into fashion   ;they re    in

pigeons stuck to   he gook,   had to pry them off and flip them on to fifth   venue

the last frankfurter i had was 50   ears ago , i still have   as

carnege deli   to die for.   literally,   it clogs   your arteries,   if you   on;t die from cholesterol you die from the guilt
