This is what I=am going to send to Johnny.. any thoughts?

Johnny, sorry we haven't been able to connect yet on the phone..we=E2 ve been running around like crazy lately and I know you are extrem=ly busy as well. Until we're able to talk, I wanted to respond to =our text...

First off I am very sorry for the way things turned out, and I want you to =now that I do truly appreciate your help in these matters. I know you unde=stand that I have been completely uninvolved with the issue of legal fees =elating to my representation. I don't think that you and I e=er even spoke about it. I always thought that you and Darren were wo=king together directly on all billing matters. Although I was quite =hocked at the very large balance on the first bill that you sent me in Dec=ember 2017, I referred the bill to Darren and asked him to resolve it with =ou directly. I did the same immediately for the additional bills you=sent me. Again, I was under the impression you guys had been in comm=nication on it the whole time. Maybe if I had seen regular bills or they h=d been shared with him sooner we could have avoided this uncomfortable sit=ation for all of us.

I think you are right about you both having different views relating to you= billing, but that is really not something I have any experience or knowle=ge about; I had never seen a lawyer's bill in my life before this. =A0 Knowing what it should or shouldn't be is way beyond my underst=nding. I do understand completely that you will not be able to conti=ue to represent me and I am working on getting another lawyer. =A0I really appreciate your

willingness to work with your replacement to make sure I am properly represented, and I will let you know as soon as I find someone I feel comfortable with. Thank you again for your help and I am so sorry this all turned out this way!
