The dirt team is part of the Bloomberg=team that is down working on St. John. This text came from one of my best friends, Meaghan Enright, who is the coordinator for the Kenny Chesney Foundation, Love City Strong and the Bloomberg team.

Got this text from STJ today

The DIRT team says that through FEMA they can access enough comms equipment to get cell service and 911 comms back up through the VI and about 46% of PR, but Mapp and the PR Governor have to request the assistance from FEMA through PREMA and VITEMA. Once the request is made FEMA can mobilize the equipment. They've been trying to get it on the agenda for days
