Ok re Fraguela. What about only d=ing part of the office? Putting in new carpet and painting the walls i= the back makes no sense if it's going to get soaked every time it rains.

With warm regards,

Hi Jeffrey,

The roof over the kitchen, my office and Jeanne's office is leaking signific=ntly. There are puddles on the floor from the rain over the weekend.&=nbsp; AYH management came to look at it and they don't know when they can ge= around to fixing it.

It may be prudent to only paint and carpet up to the copy room and leave the=back part until the roof is fixed. Jeanne and I will relocate to the f=ont offices. What do you think?

Jimmy Fraguela is outsourcing the individual projects (painting, sheet rocki=g etc..). We can control what happens and the pace if we are just dealing w=th one contractor who is doing the work himself. Please let me know y=ur thoughts?
