Greetings =ich,

The container paperwork was reviewed by VIBIR and US Customs =nd approved. US Customs requested I return in the morning to pay =he duties.

I will do so, drop off the paperwork and contact =ohnny Weekes too collect the container. He has already been =notified and is aware of what is required. Anna is coordinating =he drop off area for the container and has already given Johnny his =irections.

The Costco orders and Larry's consolidations are =rriving tonight. They have both been cleared and Tropical Shipping will =otify me when they are available for pickup. At this time there =s no date for when the vessel these two less than container loads are =n will be stripped and the cargo referenced above will be =available.
