Subject: A little tale from the field

Jeffrey,

Not that I is a big deal, but I was down checking on Orville's stonework by N=w Beach just now.

Without me asking, he told me that he was confused why the guys would say th=re was no meeting Monday since he attends all of them.

So he asked the guys why they would say that there was no meetings when ther= clearly was one.

He was told just to stay out of it and agree that there was no meeting. He t=ought that odd and wanted to let me know that it has been decided to stick t= the "no meeting" story.
