Larry,

It was a pleasure speaking with you I'm glad w= were able to discuss your needs. I have attached a set of 3 D D=awings of a 38' Full Cabin SAFE Boat that can see can a=ccommodate 6 people in a completely climate controlled enclosed cabin.<=o:p>

This would be equipped with a generator and AC and is=available in triple or quad outboard motors. Certainly we can work to=ether to create a very nice and comfortable boat meeting Mr. Epstein'= needs. Please review this and let me know if this base boat is a good starting place for us, there are several of the=e on the water and I'm sure we can arrange a ride.

I look forward to your thoughts we have built several=of these boats as custom tenders and are confident we can develop a very ni=e boat for you.

Regards

John
