woody,

I know little about sports, but your repu=ation ,is that you are fair. I understand that when someone disagree= with a call they can throw a red flag. I would like to throw one no=. - Though as you might imagine , I have become accustomed to tablo= accusations I am told that you have recently called into question=C2 the propriety of my business dealings . I would both welcome a=d sincerely appreciate the opportunity to have a "replay" of any=instance where you thought that I had deserved such a penalty phrase. You =nd I don't know each other well , but I believe I have alw=ys been at a minimum respectful . I am available for a coffee whene=er convenient and would hope that as both you and I enter the springtime o= our senility , in the same city , that any tension be discussed and hopef=llly if possible , resolved.. Thanks in advance.
