Hey Bossman,

I'm sorry that I wasn't able to get everything done in a timely fashion and I=m also sorry for missing other issues that you pointed out today that neede= to be done. That was so embarrassing on my part :(

I will definitely try to be more aware towards everything that I pass by on t=e island, I don't want you to think that I'm unable or incompetent of doing=what you need me to do when you need it done.

I'll try much harder,
