Dear =ongza Family,

Songz= has now officially joined Google!

Googl= is unique in their reach, resources, and ability to use data to make the =orld better; we can't think of a more inspiring company to join in our=quest to improve the things our users do every day. No immediate changes to Songza are planned, other than mak=ng it faster, smarter, and even more fun to use.

Thank=you so much for the role that you have played in the Songza story - we cou=dn't have done it without you!

Many =uge hugs,

Team =ongza

P.S. =e'll be deferring to Google on all public communications about the dea=, so if any reporters reach out to you please forward their emails directl= to
