dear Jef=rey

Just to keep you updated

T=el TV will be delivered this week so will will do the job this week.

One point i want to make clear :

You gave me you agreement on the master bedroom only.

What do we do for the office. I know the crestron is dead too.=Do you want to wait for the bedroom to be finished to discuss about that.<=div>

Do you want me to make an estimate for the office too ?=If yes, what to we do ? Only change the crestron to control the old equip=ent ? Do we change the projector for a big tv too ?

Please let me know, because if i also need to order a tv for the offic=, we need to see together how you to place it.

Be=t regards

Philippe
