So first shows last night wen= very well. The festival wouldn't show the three minute animated Super=Hero porn video I made. Said it was a bit too "graphic" so that =ucked up the five minute opening monologue I had about animated porn! =AOBut being the pro I am, I rebounded successfully and was suitably nasty =nd kept the show moving. Like I said there is NOTHING else but our show go=ng On this week, but July 25-26 when we do our last weekend in the bigger =enue, there may be something they add to the festival that you may want to=see. But like I said before, as it stands now, there are some great comics=like Bill Burr, who could be my favorite comic working today (not really t=o blue, but very cutting edge. Look him up on the internet if you have tim=) but he's just hosting a big theater show with 8-10 other comics doin= five - ten minutes each. That "may" be worth seeing. Let me che=k out the line up of who he has on, but again, you're like me and can&=39;t sit in fucking theater seats for two hours watching this shit. I get =t! Believe me, I get it! Get back to you later.
