Here is what I received from Rusty ref instal=ing New Veneer at Gulsream:

Larry

So far I've been=able to confirm the following:

There is enough veneer at the vendor=available to do the entire areas you requested

I will have an answe= from operations tomorrow regarding manpower availability.

Assuming=the manpower is available they will need 3 to 4 additional weeks from the=C2 January 5original departure date to complete =br>

I've submitted an RFQ so we can get it on paper and should have=that for you tomorrow.

We need to nail this down by Friday so we ca= get the wood on order to support your input date of 1=23/17.

Things seem to be coming together, I'll let y=u know tomorrow after lunch when I hear back from operations.
