Wendell Brunette has been out of the country....He asked his associate, Thomas Hylend to give me a call (finally) to find out more re =he scale, scope and time frame of your project? He wanted to be very =transparent and let us know they are incredibly swamped...they are =ure you are busy and don't want to say they can commit to your =ob if your timing is urgent and the project too large for them right =ow. Please advise..
