**Subject:** Itinerary and Bitlodge

Jeffrey,

My itinerary for Vegas/Santa Fe seems to be the following atm:

London -> NYC August 3  
NYC -> Vegas August 4  
Vegas -> Santa Fe August 8  
Santa Fe -> NYC Aug 10  
NYC -> London at some point from the 12 to the 18

If we happen to be in the same place it'd be cool to catch up.

About anonymity and bitcoin, a friend of mine developed this:  
<https://bitlodge.net>

Pretty good at de-anonymizing bitcoin wallets&transactions (to the extent possible)

Last thing: do you think the insurance stuff could work? I know that it's not interesting to you but I'm trying to understand if the market would buy such a product

Thanks,  
Vincenzo
