Richard is asking if you have thought about the dinner in Newport...he suggests either the top of the Cooke House (he knows the owner and can request a private party) or the top of Shells and Scales restaurant =this place is only open of Fri, Sat, Sun, but he could make a special request to have them open it for you) He is asking if you would like to make a choice on which restaurant, let him know how many pp, then he can call and request a reservation. He also says he is around July 24-29 and can do any night, but will not be around July 30... If there is anything he can do for Woody's pp he is happy to do so...
