Subject: flight times

Jeffrey,
Newport RI has a small airport, Newport State, short Runway 3000 =t only.,

the military airport you mentioned is called Quonset North Kingstontwo= State airport, with 7500ft runway, However, they are under construct=on on runway and length is shorten to 4850 feet long, x 1=0 wide, its possible length "if you have to go".

Flight time Quonset RI to Montreal 260 miles +46min flight =ime,.

Flight time Montreal - Teterboro +50min 280 miles,.

flight time Teterboro - Quonset RI +31min 130 miles,. could be little =onger with NY routing.
