Jeffrey

Dave finished his Boeing simulator today in Miami. I flew copilot for him, s= he is current as captain as well as myself. Boeing will not test fly tomorrow, during high power runs today, maintenance=discovered EPR bleed leak and small oil leak at CSD. Should be ready Friday=to fly.

If you approve, Dave and I can airline to Brunswick GA after we arrive in Pa=is and accomplish Boeing test flight so the aircraft will be ready for Zorr= ranch trip if you choose. We can return to Paris on July 24th to be ready f=r 25th Paris to NY.

Do you want us to stay in Paris or airline back?

Thank you,
Larry
