Subject:	Terminal Facility

Hey Bossman,

I really didn't want to bother you with this situation but it's really bothe=ing me a little bit because I had a meeting with Darren, Cecile & Jeanne re=arding the Terminal Facility.

I'm not too sure where we went wrong because I was never given any check lis= nor did I have a meeting with anyone regarding what should've been done.

I thought the meeting with Danny and Mr. Bernier didn't go so well and Danny=did say a lot of the issues that Mr. Bernier pointed out should've been don= and he's truly sorry.

Mr. Bernier is actually willing to help us "which could seem a little suspec=" :-/ He said he's going to give me a checklist of things that should be do=e in the next 30 days, He also said that he don't mind coming over to train=us with the Terminal Facility on a weekend of our choice. As long as I don'= say anything because he could get into trouble for helping us.

My fault was not asking about a checklist prior to this inspection and assum=ng everything was under control.
