>>
>> BEST LAWYER / INSURANCE STORY OF THE YEAR, DECADE, AND POSSIBLY THE
>> CENTURY
>>
>> This actually took place in Charlotte , North Carolina.
>>
>> A lawyer purchased a box of very rare and expensive cigars, then
>> insured them against, among other things, fire.
>>
>> Within a month, having smoked his entire stockpile of these great
>> cigars, the lawyer filed a claim against the insurance company.
>> In his claim, the lawyer stated the cigars were lost "in a serie= of
>> small fires."
>>
>> The insurance company refused to pay, citing the obvious reason,
>>
>> that the man had consumed the cigars in the normal fashion.
>>
>> The lawyer sued and WON!
>>
>> (Stay with me.)
>>
>> Delivering the ruling, the judge agreed with the insurance company
>> that the claim was frivolous.
>> The judge stated nevertheless, that the lawyer held a policy from
>> the company, in which it had warranted that the cigars were
>> insurable and also guaranteed that it would insure them against fire,
>> without defining what is considered to be unacceptable 'fire' and was
>> obligated to pay the claim.
>>
>> Rather than endure lengthy and costly appeal process, the insurance
>> company accepted the rulingand paid \$15,000 to the lawyer for his
>> loss of the cigars that perished in the 'fires'.
>>
>> NOW FOR THE BEST PART...
>>
>> After the lawyer cashed the check, the insurance company had him
>> arrested on 24 counts of ARSON!!!
>> With his own insurance claim and testimony from the previous case
>> being used against him, the lawyer was convicted of intentionally
>> burning his insured property and was sentenced to 24 months in jail
>> and a \$24,000 fine.
