Jeffrey,

I'll check with AAG and see if they are comfortable with this LZ, (landing zone)., I'm not sure how current this photo is, I'm also just completing landing permission for Woody's house, permission to land off sight in Rhode Island is given by RI Port Authority, Woody's house was easy to obtain, since prior approval was issued in 2007 when Nicolas Cage owned Gray Craig estate,. Fire rescue has to be notified and home owners assoc, has to be given notice of arrivals, Jim the Rhode Island port authority person is a Bell 407 pilot, and easy to work with,. I'll check if I can get permission for Naiad boat visit,.

Thx
Larry
