I had my annual/biannual check u= a few months ago. The only numbers that were out of the safe range =as [REDACTED] result but that has been a little out for decades and =nly slightly outside the range. If anything I might attribute that t= all the crap I was exposed to in the printing business. My [REDACTED] again was slightly out of the safe range but it was lower than it was t=o years ago. Nothing to worry about. My doctor says I am going=to live forever. He said I was his only patient at this age who need= no medication for anything.

Why do you ask?
