Hey Bossman,

Dock:

Replaced all old wood, clear drains and shovel out mud before adding new car=et.

Basket:

Replace all old Palms in the basket with new Palms.

Lunchroom:

Brian said the lunchroom is complete. I'm going to have him make the sink ar=a look much better.

Marble & Grout:

I had Mr. Orvil do a test clean in the main kitchen before I put him to do t=e Master Bath tomorrow. Great job!

Irrigation:

Irrigation should be completed by next week Wednesday.

Hillside cleanup:

Should be finished with Stonewalls by Thursday then hydro seeding everywhere=on Friday.

Other side notes:

Flag seats are being made by Mr. Holiday.

I received the 20 Watches (Thx Rich :) ) I will have VI Engraving work on en=raving one watch first just to be on the safe side.

New Leather travel bag has arrived :) it's really nice just a bit of a tan c=lor not too dark but really cute. Lol :)) A/C back up and running in Library.

Master Bath sink draining properly.

Water Pressure in Chillax bath is running perfect.

Dental Compressor & Suction system on LSJ will be installed on Friday.

Will send new photos and more updates tomorrow...
