My dear Jeffrey

How is the island ? Having fun swimming naked all together ? ;)) Alice was scared....I am not...

When in paris ?

I'm stuck here until 20 Sep for Bar exam preparation, being sad...separated from Jewish bf I met in August 2011...

Remember how u taught me what men like?

All you said worked : we were together 3 years.

You make Magic, Jeffrey !

I want more classes... am in love with this individual <http://www.bilanz.ch/people/300-reichste/reichsten-updates/erben-merck-fluessig>

who promised a PA job to Alice in Monaco and who is so generous...does everything for me...but never wanted to have sex...he waits when I am ready...weird man..it's been 2 months we date^^

Hope you come soon to paris and will put a big smile on my Face !!

Lots of warm thoughts and care...kisss

With warm wishes,  
Cordialement,
