"Hello Jeffrey,
How are you ?

I hope everything is going Well on the Island.

I'm sorry to send you this so late, but i was working and i just arrived at t=e apartment.

I was really surprised today when i received the message from your assistant= I am so thankfull to you for everything you are doing for me since the begin=ng.

I said thank you 3 Times, first when i Wrote a message to your assistant, i d=dnt have your number so i couldn't call you. That was the best way to conta=t you, (i thought she will gave me your number but no ...) i also sent a m=ssage directly to svetlana when i arrived in the apartment, and finally i t=lk to you in the phone two days ago and explained you the situation ... And=you listened to me and said ok i understand. I apologized also in the phone= And you said that its all right.

I'm just not use to all this kind of thing. Everything went so fast.

Maybe you wanted something else from me, like a present or something else. I=would like to do this, but i can do this kind of thing when i have Time, yo= should really see my schedule every day , i mean i doesn't have Time to do=anything else that my castings, fittings, and jobs.

I always Write to your assistant or Svetlana when i have Time beetween my a=pointments as soon as i can .

I'm not complaining and not trying to find excuses, i'am just explaining yo= .

But for you i didn't do it the right way, i'am sorry for that.

Usually i really show this kind of thing at the end, i mean i didn't Know yo= Well, i never Know what can happen you Know, i was a bit scared at the beg=ining, you also have to realise that.

I am a really polite person, i always say thank you to everything so i don't=really understand what is going on.

The thing is that i'm so respectful to you, i don't want to disturb or borro= you, you are already doing a lot of things to me, that's why i'm a bit on a=defensive way.

It's really unusual for me to be in this type of situation, everybody don't h=ve this chance, it's like having an angel with me, but you Know that's not h=ppening all the Time.

Secondly, i talked to Daniel and he explained me what you don't like.

But i realise that we are here in a lots of misunderstandings, that's why th= situation is like this now, and make me feel really sad and uncomfortable= First he said that you wanted me to Come wth you to Boston, i didn't came be=ause i had to stay in Town for castings during the Week end on saturday and=sunday my agency told me. And i Wrote a message to your secretary to tell h=r. Did she translate you the message ?

After he said that you organized me a meeting with a certain Faith ? I have n=ver heard about her . Nobody told me that, we just spoke about the Next ag=ncy you and me in the phone and i told you that maybe it's better to wait=the end of fashion week, you said yes ..

You didn't explained me who she really was.

Because you Know that im in an agency now , if they Know that i went to an o=her one i Will have lots of problem because in this fashion world everybody=Know everything.

(but Daniel told me that i can meet this person, that i will not have probl=ms , if he said that , i Will, so i have to think about this) He also talk to me about Patrick and Victor démarchelier. But nothing e=se, no appointments, nothing.

The only thing i Know about next , was when i talked yesterday to your assis=ant, she said if you want you can met Laura from next and again i said that=for the moment i'm not sure if it's a good idea ...I thank you again for th= apartment , it's a dream apartment, i really like it.

I hope you Will understand me, and give me a chance, because i feel like i a= in an "unfair" situation.
For me i behaved the Way i had too for the information i get.

I hope you Will take this message and my excuses in consideration, thank you=

Waiting for your response

(i am sorry if all my english is not perfect)

I would really prefer to be in relation directly with you, and have you in t=e phone. But nobody wants to give me your number.

Have a good night

■
