Strange...did you not receive a series of hand sketches? These are the basis for the renderings. In addition I included images from the historic Moroccan palaces for the specific tile.

Maybe it would be easier to send you the computer renderings...by tomorrow they should be more telling with scaled furniture as place holders...I'll send them to you...they'll be very much in progress related to the details.

I will also resend the hand sketches in one email.

Dear Jeffrey,

Attached are additional concepts and sketches...I thought the green and blue colors in the Zellij Tile Image were quite nice and an interesting twist with the green and blue mixed together. We're going to render a few options for you to see the different color combinations..

Look forward to your thoughts,
Amy
