Subject: Bougainvillea and Clusia - September 2, 2014

Greetings Sir,

Bougainvilleas:

Ken is recommending "flushing out" the bougainvilleas for 8 weeks - arrival date week of October 28, 2014,

Ken will send photos every 2 Weeks for you to see their progress, so if you choose to have them arrive sooner, that is an option.

CLUSIAS:

They are ready - Ken is closed next week - will arrange for them to sail of week of September 15, 2014.

Respectfully,

Daphne
