Looking forward to our dinner Tuesday. The last month has been very tough es=ecially after losing Robin - one of my best friends who I've known since we=both started out in San Francisco in the late 70's. And fuck going out for p=zza unless you really want to do that ( which I know you DON'T!) I'm happy h=nging out at your bachelor pad eating burgers and talking. And for what it'= worth I dont like doing that with many people. And I'm flexible if Monday=works better.
