Probably it wasn't clear from my prev emails, but I love the idea- it's insa=e enough that it will probably give me the same dopamine boost(speaking of i= - I'm well aware of that feeling) I used to get in the past.

I got to sort some details and have to talk to Joi but you can take this as=a tentative yes modulo some conditions and the stuff I need to sort+Joi.

I'll know more later this week/next week
